### TOUR OVERVIEW

The 2025 Garden and Art Spectacular Tour of Japan is a specifically designed 16 day tour to showcase exquisite Japanese gardens against the background of gorgeous autumn colours. This tour has its origins in our well-regarded May & October Garden and Art Tours. However, it is conducted in November, at the peak of autumn foliage, with a higher level of comfort, and at a more relaxed pace in particular you stay two nights at Naoshima Island.

As with the most other Journey to the East's popular Small Group Tours, this 16-day tour accepts only 8 travelers per tour. The "Comfort" style tour leans towards luxury with its superior comfort in accommodation, easier pace and with extensive use of private minivans. The accommodation is all 4-to-5-star hotels with western beds and ensembles.

\*Accommodation will be as planned below or similar.
